Heart of Worship

Matt Redman

Intro: D2 |A2 |Em |A2 | (2x)

Verse 1: |D2 |A2 |Em |A2
                         When the music fades, all is stripped away, and I simply come;
                      |D2 |A2 |Em |A2
                         Longing just to bring, something that's of worth that will bless Your heart.
                      |Em   D/F# |A2 |Em
                         I'll bring you more than a song,   for a song in itself
                                        D/F# |A2
                         is not what You have required
                      |Em   D/F# |A2
                         You search much deeper within   through the way things appear;
                      |Em   D/F# |A2
                          You're looking into my heart

Chorus: **|D2 |A2/C#**
                         I'm coming back to the heart   of worship
                                   |Em7 |G   A2   (D)
                         And it's all about You,   all about You,   Je-sus
                         |D2 |A2/C#
                           I'm sorry Lord for the thing   I've made it,
                                   |Em7 |G   A2 |D [D2 | D D2|**]**
                         When it's all about You,   all about You,   Je-sus

Verse 2: |D2 |A2 |Em |A2
                         King of endless worth, no one could express, how much You deserve;
                      |D2 |A2 |Em |A2
                         Though I'm weak and poor, all I have is Yours, ev'ry single breath
                      |Em   D/F# |A2 |Em
                         I'll bring you more than a song,   for a song in itself
                                        D/F# |A2
                         is not what You have required
                      |Em   D/F# |A2
                         You search much deeper within   through the way things appear;
                      |Em   D/F# |A2
                          You're looking into my heart

Chorus (2x)

                I'll bring you more than a song,
                                        |Em7 |G   A2
                I'll bring you more than a song,   more than a song
                |D2 |A2/C#
                   I'll bring you more than a song,
                                        |Em7 |G   A2 | D
                I'll bring you more than a song,
